

Chemistry Department

Academic Scholarship Application

(Due February 2, 2009 by 4:00 p.m. in SL 502M)

In addition to completing the application from the Chemistry Department, you **must** also update your personal information with the WSU Scholarship Office before you can receive any WSU scholarship (<http://weber.edu/scholarships/continuing-scholarships.html>).

Name: _____

Address: _____

Phone: _____ W #: _____

Major GPA: _____ Overall GPA: _____

Credit Hours Completed at WSU: _____ Total credit hours (including transfer): _____

Expected Graduation (please check and fill in year): Spring 20 _____ Fall 20 _____

List major courses you have completed or in which you are currently enrolled:
(For completed courses, please include the grade received.)

Indicate which scholarship(s) you are applying for. You may apply for multiple scholarships. If you are applying for more than one scholarship, you only need to fill this form out once. However, for each scholarship you must attach all the supporting documentation required.*

**All scholarship awards depend on fund availability

CHEMISTRY SCHOLARSHIP CRITERIA

The following selection criteria will be used by the Chemistry Department Scholarship Committee to determine scholarship recipients (criteria not necessarily listed in order of their importance):

General Requirements

- Include a copy of your transcript. (An unofficial copy is acceptable.)
- Include a brief letter (one page or less) addressed to the faculty of the chemistry department. Your letter should state why you qualify for this scholarship and how this scholarship will help you to achieve your education goals at Weber State University. If you are applying for more than one of the scholarships, you need only submit one letter, but be sure to address the qualifications of each scholarship.
- Fulfill the additional specific requirements for each scholarship as listed below.

Young Ok Hamrick Scholarship

- Priority will be given to an option 1 chemistry major.
- The applicant must be a junior or a senior within the chemistry program during the award year, i.e., the applicant must either be ready to register for physical chemistry in the fall semester, or he/she must already have successfully completed physical chemistry.
- Minimum GPA of 3.0

Henry Nowak Excellence in Chemistry Scholarship

- The applicant must be a junior or senior chemistry major (option 1 is preferred).
- Preference will be given to a student who is planning to go into a chemistry-related career and who is married with a family.
- Minimum GPA of 3.0
- Applicants will write a one-page essay on, "Why I want to be a chemist." This essay is in addition to the letter you must write to the faculty.

Chemistry Faculty Scholarship

- The applicant must be a chemistry major.
