We are excited to welcome back R.W. Montague as our head residential counselor! Saul Moreno, Cesar Rodarte (not pictured), Luis Oseguera, Evelyn Huerta, Jessica Corley, and Crystal Peterson will work with R.W. to make this year’s summer program successful!
Upward Bound is excited about our staff for this summer! This year’s staff brings much experience with them—we have 11 returning staff and nine former bounders working for us this year! The day staff has met with Linda and Kassidy several times to review lesson plans, supply lists, and planned activities to ensure the goals of Upward Bound are met. Night staff have met with R.W. to prepare for the summer trip, group sessions, community service, and dorm life.

Check out our website! We will work to keep it updated over the summer with pictures, student accomplishments, community service sign-up sheets, etc.

What Have We Been Up To?

Bridge Retreat
On Friday, March 29 the Upward Bound bridge class met on campus to attend the Bridge Retreat. Students visited the bookstore, attended Dr. Gillespie’s sociology class, and visited Student Support Services.

El Salon Mexico
On Monday, April 1 Upward Bound students had the opportunity to attend a performance by the Utah Symphony of El Salon Mexico. We would like to thank the Ogden Symphony Ballet Association for making tickets available to our students.

Hill Aerospace Museum
On Saturday, April 13 the Upward Bound sophomore class visited the Hill Aerospace Museum. There, they learned about flight and aerospace and saw dozens of aircraft from around the world.

New Student and Parent Orientation
On Sunday, April 14 all new Upward Bound students and their parents met on campus to attend orientation. The parents heard from Dave, Linda, and Kassidy and the students met with the UB juniors to learn about the summer program. We would like to thank all of the families who attended.

Upward Bound junior Alma Brizio will not be participating in the Upward Bound summer program because she was one of 60 students selected nationally to participate in the LEDA Scholars program at Princeton University this summer. We are so excited for you and know you will have a great time! We will see you this fall!

Mummies of the World
On Thursday, May 9 all Upward Bound students were picked up from school by WSU busses and headed to Salt Lake City to visit the Mummies of the World exhibit at the Leonardo.

Rose Tea Community Service
The annual Rose Tea community service took place on Saturday, May 18. Twenty-one Upward Bound students gave up their Saturday morning and afternoon to prepare cheese and vegetable trays, serve drinks, and assist with clean-up. All proceeds from the Rose Tea benefit the YCC.
