

WILDLIFE AND CULTURE OF CHINA

The Great Wall, the Forbidden City and the Terracotta Warriors are a few stops we'll make as we delve into the wildlife, culture, and history of China. Join Weber State University's Zoology Chair Sam Zaveloff and wildlife expert, writing and literature professor Walt Prothero as they lead you to the most intriguing sites in the Far East with China Adventure Travel.

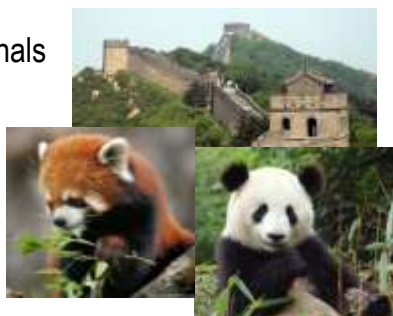

June 5 – June 18, 2009

Tour members will learn of natural history and culture in China, visit nature reserves and endangered species propagation projects, and walk through two-thousand years of history.

Assignments: Essays and journals

Participants must:

- be at least 18 years of age
- have some college education
