5. I fully understand and acknowledge that there are specific risks of injury to person and/or property that are associated with field trips, including risks related to travel hazards, terrain, weather, eating and sleeping arrangements, and other circumstances. I also certify and represent that I am not presently under any form of medical treatment for physical infirmity, chronic illness, or mental disorder that could affect my safe participation in field trip activities.

6. I fully understand and acknowledge the following about the field trip accident insurance policy the university provides:

   a. The insurance covers Class I insured participants (WSU faculty, staff, students, individuals registered for courses or WSU sponsored travel and WSU sponsored visitors) at no charge, and Class II insured participants (Participants who pay for WSU coverage before the trip begins) upon timely payment of a premium.

   b. The insurance only provides coverage for activities undertaken during the field trip or during travel to or from the field trip destination while directly supervised by the university-appointed trip director.

   c. The insurance only provides medical coverage for illness or death due to accidents.

   d. The insurance requires payment of $100 deductible for a medical claim.

   e. The insurance maximum limits are $10,000 medical and $25,000 accidental death or dismemberment.

   f. The insurance is a reimbursement type policy which requires the participant to:

      1) Pay for any medical services at the time they are provided.

      2) Request and complete the necessary claim forms from the university Department of Public Safety upon return from the field trip.

      3) Submit the forms to the university’s insurance carrier along with the required medical receipts.
