This party brought to you by **Chris Compton** (Designer) and **Ben Barraza** (Stache Coordinator) and we approve of this message.

**Rules:** Read the title, if you don't have a stache (real or artificial), one will be provided for you using a permanent sharpie, we aren't kidding.

**May 3rd 2008** (Yes, I know it is not Cinco de Mayo but you guys wouldn't come on a Monday)  
**1:00pm - 3:00pm ish – Beus Pond Park 4240 Country Hills Dr. Ogden, Utah.** (on the corner of Taylor Ave.)

The park is big so look around for a bunch of dudes and ladies with mustaches and that's where we are.  
Please bring your own meat and anything you want to get caught in the stache, Mmmm later left overs.  
We aren't your moms so bring anything you think you will need, we got the drinks and wieners.
