

Level 2 Field Work Expectations

In order for your field work experience to be the best experience possible, you will need to prepare and plan for a number of items. Below is a list of items that will help you plan for an optimal experience in the schools this semester.

1. You will be required to complete 35 hours of work in the schools over the course of the time that has been set aside for your field experience.
2. You are expected to be in the schools from 8:30 to 11:10 or 12:30 to 3:10, Monday through Friday, unless otherwise noted on the calendar.
3. Print out the teacher understanding and commitment form (found under Cooperating Teachers Materials on the website) and bring it to your cooperating teacher to sign. Return this signed agreement to Dr. Williams ASAP.
4. Print out five (5) copies of the teacher observation/evaluation form (found under Cooperating Teacher Materials on the website) and give them to your cooperating teacher. All five of these observations are to be filled out by your cooperating teacher during the course of your field experience.
