8:30 Welcome & Introductions

8:45—9:45 Keynote: Google-ing Teacher Education: The WSU experience

10—12 Breakout Session 1 “Sharing Time”

This session will be built around sharing information about programs and identifying areas of strength and concern. Come Prepared to share the following:

Program strengths, assessments, field experiences, common core, concerns, needs, holes.

12—1 Lunch

1:15—3:15 Breakout Session 2 (same group) How Do We?”

This session will focus on the following explorations based on the morning conversations:

What would strengthen our programs, what should we incorporate, tell me more about, what change, what could it look like, what if we...?

Concurrent Session: Big Sky CODE Meeting

3:30 - 4:40 Exploration and Collaboration Time

This is your opportunity to visit 1 on 1 or in small groups to further earlier discussions.

**Friday, September 30**

Breakfast at hotel

8—9:30 Breakout Session 3 (same group) Drawing Conclusions/Making Plans”

This session will focus on unanswered questions/where will we find answers, plans for continued dialogue and collaborations, what can we do together from here?

9:30—10 Summary Preparation

Plan to share a written and verbal summary of key discussions, findings, plans for continued collaboration and follow-up for your group. Also include a response to how did this format work, and how might it be improved next time?

10:15—11 Keynote -

11:15—12 Group Summaries and proposals for collaboration

12 Lunch and Goodbyes
