College of Science The Leon J. & Frances N. Staciokas Scholarship

Selection Criteria

An applicant for this scholarship must

- be a major in the college of science
- have at least 60 credit hours at the beginning of the 2011 fall semester
- be a full-time student during the period when the scholarship is in effect
- include a current copy of his/her transcript and a **brief** written statement (one page or less) that addresses why he/she qualifies for this scholarship and how it will help him/her to achieve his/her educational goals at Weber State University
- **update his/her personal information with the WSU Scholarship Office by January 10, 2011** to be eligible to receive any WSU scholarship; do this by going online and following the link on <http://weber.edu/scholarships/continuingscholarships.html> /

In addition, the following criteria will be used to determine Leon J. & Frances N. Staciokas Scholarship recipients (criteria not necessarily listed in order of their importance):

1. Preference will be given to students who have been attending WSU for at least one year and who plan on attending graduate school and work in a medically related field
2. Must be actively working with an advisor in a pre-professional program such as pre medicine, pre-pharmacy, pre-optometry, or any other pre-professional medical program

In addition to the above stated requirements, an applicant must

- include one **brief** letter of recommendation (one page or less) from a professional or a faculty member in his/her field of study that addresses the second criterion (actively working with an advisor in a medically related field)
- provide evidence that he/she is actively working toward acceptance into medical school (do this by having the pre-professional advisor sign below, or by providing a letter of acceptance to a medically related graduate school program)

The applicant is known to me as working actively toward acceptance into a medically related graduate school program.

Pre-professional advisor signature
