

WEBER STATE UNIVERSITY
College of Science

The Dr. Kent M. Van de Graaff Pre-medical Scholarship Fund

With the establishment of the Dr. Kent M. Van de Graaff Pre-medical Application Award, Weber State University honors Dr. Van de Graaff for his years of service as anatomy professor and pre-medical advisor for Weber State University students, which service has furthered the university's mission of changing minds, one student at a time. The Dr. Kent M. Van de Graaff Pre-medical Application Award is meant to encourage excellence and scholarship within Weber State students who are pursuing a career in medicine.

This scholarship is to be awarded to students who have submitted applications to medical schools this academic year and the funds are to be applied toward the costs associated with medical school application fees and related travel expenses.

Criteria:

Recipient must:

- ❖ be a full-time senior WSU student in the pre-medical program at WSU
- ❖ maintain a GPA of at least 3.4
- ❖ submit a 1-2 page essay effectively and creatively expressing what has been learned from the application and interview process.
- ❖ provide a copy of an unofficial transcript.
- ❖ submit essays by the deadline below to the Premedical Advisor (Dr. Barbara Trask) who will present them to the College of Science scholarship committee for their consideration.

Submission deadline: January 28th, 2011.
