Welcome Wildcat,

This letter is to inform you of a new Assessment and Placement Standards policy the WSU faculty senate passed in its September 2005 session. Beginning Spring Semester 2006, all new students admitted with no ACT or COMPASS scores or low scores will be required to take the ACCUPLACER assessment test. The purpose of this new policy is to help students succeed by placing them in Math and/or English courses that match their skill level.

Enclosed is a flyer explaining the Assessment and Placement Standards and the scores that are required for course placement. I encourage you to act quickly and schedule yourself for testing if you lack placement test results.

Please feel free to contact the Admissions Office if you have questions concerning your placement status, by phone at 801-626-6743 or by e-mail at [admissions@weber.edu](mailto:admissions@weber.edu). If you are an international student you can either call 801-626-6005 or send an e-mail to the same address.
