QUANTITATIVE LITERACY (QL) REQUIREMENT

HOW DO YOU FULFILL YOUR QUANTITATIVE LITERACY (QL) REQUIREMENT?

There are 6 ways to fulfill your QL requirement:

- Earn "C" or better in MATH 1030, 1040, 1050, or 1080 or
- Earn "C" or better in any math course for which either MATH 1050 or 1080 is a prerequisite or
- Score 70 or higher on College Level Math (CLM) in Accuplacer or
- Score 3 or higher on AP Calculus exam or
- Score 3 or higher on AP Statistics exam or
- Earn "C" or higher in Philosophy (PHIL) 2200*

Before choosing one of these 6 options, consult the QL table at weber.edu/quantitativeliteracy or your major advisor. Many programs will require you to take a specific QL course.

Some courses must be taken in a certain order. Your placement score indicates where in the QL sequence you need to begin. Please note that math courses expire as a prerequisite after 1 year. Here is the entire course sequence if you take a Math QL course:

- MATH 0950 → MATH 0960 → MATH 1010 → MATH QL course or
- MATH 0955 → MATH 1010 → MATH QL course

If you choose to complete QL with PHIL 2200* rather than a Math QL course, the prerequisite sequence is as follows:

- MATH 0950 → MATH 0960 → PHIL 2200* or
- MATH 0955 → PHIL 2200*

WHICH WSU COURSE DO I PLACE INTO BASED ON MY MATH ACT SCORE?

ACT** Math Score [expires after 2 years]	WSU Course Placement
Didn't take ACT or SAT	Take Math Accuplacer for course placement
ACT 22 or lower	Take Math Accuplacer for course placement
ACT 23 or higher	MATH 1030, 1040, 1050, 1060, 1080 or PHIL 2200* Note: MATH 1060 does NOT satisfy the QL requirement

WHICH WSU COURSE DO I PLACE INTO BASED ON MY MATH ACCUPLACER SCORE?

Accuplacer Score [expires after 1 year]	WSU Course Placement
Arithmetic (AR) 39 or lower	MATH 0950 or 0955 [a registration hold requires you to meet with an advisor in the Student Success Center, formerly the Academic Advisement Center]
Arithmetic (AR) 40-74	MATH 0950 or 0955
Arithmetic (AR) 75 or higher Elementary Algebra (EA) 0-54	MATH 0960
Elementary Algebra (EA) 55 or higher College Level Math (CLM) 0-49	MATH 1010 or PHIL 2200*
College Level Math (CLM) 50 or higher	MATH 1030, 1040, 1050, 1060, 1080 or PHIL 2200* Note: MATH 1060 does NOT satisfy QL requirement
College Level Math (CLM) 70 or higher	Fulfills QL requirement and MATH 1050 prerequisite***
College Level Math (CLM) 90 or higher	MATH 1210 [only required for some majors]

*If you may transfer to another Utah public institution, you should fulfill your quantitative literacy (QL) with an approved Math QL course, not with PHIL 2200. PHIL 2200 will not be accepted in transfer as a QL course by other Utah public institutions of higher education.

** If you took the SAT, rather than the ACT, consult Admissions at 801-626-6743, weber.edu/admissions or the Student Success Center at 801-626-6752 (option 5) for your placement.

***If you score CLM 70 or higher, your QL requirement is fulfilled regardless of when the exam was taken; however, the score expires as a prerequisite for subsequent math courses after 1 year.
