# **GENERAL STUDIES** 2020-21 CATALOG, FALL 2020

#### What degrees and certificates are available?

- Associate of Science (AS)
- Associate of Arts (AA) (requires proficiency in a foreign language or American Sign Language at the 1020 level)
- Certificate of Completion in General Education

#### What is the content of a General Studies degree?

The primary content is General Education, the purpose of which is to provide you with foundational knowledge and skills that enhance and transcend your academic program of study.

#### Why choose General Studies at WSU?

- Through General Education classes, you may discover an interest in a more specific major.
- If you have completed a number of General Education courses, you may have already completed many of the degree requirements.
- Some students can complete a General Studies associate's degree within two years. By earning at least 15 credits each semester, you will complete your degree in less time and for less money than students taking fewer credits per semester.
- The entire degree can be earned through online classes.
- For some (not all) bachelor's degrees, General Studies is a great way to "lock in" General Education coursework, so consult an academic advisor to inquire if this associate's degree is right for you.
- Some competitive college programs grant extra points towards admission to applicants who have earned an associate's degree.
- Other universities within the Utah State Higher Education System (USHE) will accept a WSU General Studies associate's degree or General Education certificate of completion to fulfill the General Education requirements of their bachelor's degrees.

#### What are the employment opportunities?

- The highly transferable knowledge and skills gained from this degree are strongly desired by employers in many different settings.
- Some employment positions require that you have an associate's degree to be hired or to earn a promotion.
- The U.S. Department of Labor's Bureau of Statistics reports that associate's degree graduates earn an average of approximately \$7,000 more a year than people with only a high school diploma. They also report that the 2013 unemployment rate for people with an associate's degree was 5.4% compared to 7.5% for those with only a high school diploma.
- For more information on employment opportunities, contact Weber State University's Career Services at 801-626-6393.

### **WSU COURSES**

#### Earn credit for TWO General Education areas by taking ONE course

WSU courses are interdisciplinary, variable credit (3-5), team taught, and limited enrollment courses that satisfy requirements in two General Education areas (Core or Breadth). Must earn a passing grade.

Students may take as many WSU Courses as they wish, but only the non-overlapping General Education attributes from subsequent WSU courses will count toward General Education requirements.

WSU Course		Counts toward these two General Education areas:	
WSU 1450	Intersections of Art and Communication	Humanities (HU) and Creative Arts (CA)	
WSU 1470	Integrating Chemistry and Visual Art	Creative Arts (CA) and Physical Science (SS)	
WSU 1560	The Story and the Brain: Neuroscience & Literature	Humanities (HU) and Social Science (SS)	
WSU 1560	Identity in the Digital Age	Humanities (HU) and Social Science (SS)	
WSU 1560	Sustainability in Thought & Practice	Humanities (HU) and Social Science (SS)	
WSU 1560	Research, Creativity, and Exploration Among Disciplines	Humanities (HU) and Social Science (SS)	
WSU 1580	The Story and the Cell	Humanities (HU) and Life Science (LS)	
WSU 1680	Microbes Rule: Impact of Disease on History	Social Science (SS) and Life Science (LS)	
WSU 1680	The Sciences of Human Variation: From Sex to Gender & Race to Ethnicity	Social Science (SS) and Life Science (LS)	
WSU 2340	Pattern Play: Movement and Mathematics	Quantitative Literacy* (QL) and Creative Arts (CA)	
WSU 2350	Writing With Numbers	Quantitative Literacy* (QL) and Humanities (HU)	
WSU 2420	Evil chemicals, drug scares, and big business	Social Science (SS) and Physical Science (PS)	

\*Check with your academic advisor for QL placement and requirement for your major
