WEBER STATE UNIVERSITY
WAIVER OF STANDARD EMPLOYMENT POLICY

Weber State University’s Policies and Procedures Manual 3-5 describes the normal procedures for hiring salaried faculty and staff positions. That policy also sets out circumstances that justify modifying those standard procedures, on occasion. Modifications include limiting the recruiting area or duration of a search, or, under specific circumstances totally by-passing advertising and selection requirements.

An exception may be granted only when the candidate possesses all qualifications required by the vacancy. In order to insure that hiring normally follows regular recruitment and selection procedures, no department may rely on these exceptions for two consecutive hires or create a pattern of exceptions. (Weber State University Policy 3-5 Exceptions) Check the box that applies to your exception.

☐ B. A highly qualified candidate from an under-represented protected class is requested by the supervising vice president for purposes of meeting Affirmative Action and programmatic needs.

☐ C. The hiring of a spouse of an individual identified in A or B above is requested by the supervising vice president in order to facilitate the hiring of the individual being sought in A or B. The spouse must also be qualified for the position to which he/she is hired.
