

WEBER STATE
UNIVERSITY

October 19, 2011

Dear School Representative,

We would like to invite your high school junior students to attend the **17th Annual Multicultural Youth Conference (MYC)**. This year's theme is **"Success is Our Culture."** The event will be held on Friday, **November 18th, 2011 from 8:00am – 2:00pm**, with a **Come to Campus Night** for students and their families that evening from **6:00pm – 8:00pm**. Come to Campus Night will include dinner, information on admissions and financial aid processes, and an opportunity to become acquainted with representatives from our academic programs.

This year's conference is focused on high school juniors only (there will be other events for high school seniors throughout the academic year.) The conference is designed to encourage high school juniors to prepare for a college education and offers interactive USOE Comprehensive Counseling and Guidance Program competencies. Workshop sessions will include college readiness/preparation, leadership development, cultural and diversity awareness, financial aid and scholarship availability, and much more. Participants will also have the opportunity to meet current WSU student leaders and participate in a mini college/major fair during lunch.

Registration for this event is \$10.00 per student, and includes a conference t-shirt and a sack lunch. To register:

- Go online to <http://www.weber.edu/MYC>
- Complete the registration form and select a method of payment (credit card, check or money order by mail, or a district purchase order.)
- Print the receipt and bring with you the day of the conference.

We are requesting that school representatives engage and participate in all of the workshops with their students and not leave them unattended.

Please identify a contact person (counselor, teacher, or staff member) at your school so that we can best coordinate recruitment efforts. If you have any questions, please contact Lindsay Beddes at S2S@weber.edu or call 801-626-7369. You can also refer to the MYC website, <http://www.weber.edu/MYC>.

We look forward to hosting you and your students on November 18th!

Regards,

MYC Planning Committee
