If you have questions about these additional requirements please see your advisor. A list of these requirements can be viewed at the following website: weber.edu/catalog/current/

If an applicant has a record of criminal actions it may affect their eligibility for admissions to the WSU Nursing Program. Additionally all admitted applicants will be required to complete a mandatory drug test. Admission to the program is contingent upon submission of a satisfactory background check and a negative drug test. If a background check reveals a history of criminal actions or the drug test result is positive for controlled substances (prescription or non-prescription), then the student may not be allowed to begin the program and will not be entitled to any refunds of tuition dollars or other fees.

For questions related to information on this page please contact the Admissions Advisement Office at (801)626-6136 or e-mail: healthprofessions@weber.edu. Please indicate whether you are applying for the AS-RN program in Logan or Ogden as you may only choose one campus.
