

## Disclaimers

Weber State University is committed to protecting the personal rights of all responsible students by providing an environment free from harassment and other forms of discrimination based upon race, color, ethnic background, national origin, religion, creed, age, lack of American citizenship, disability, status of veteran of the Vietnam era, sexual orientation or preference, or gender, including sexual/gender harassment. Such an environment is a necessary part of a healthy learning and working atmosphere. Unlawful discrimination undermines human dignity and the sense of community WSU seeks to foster.

Students accepted into the nursing program may be exposed to bloodborne pathogens during their time in the program.

All admitted applicants will be required to complete a mandatory background check and drug-screening. Admission to the program is contingent upon submission of a satisfactory background check and a negative drug screening. If you have a record of criminal actions, it may affect your eligibility for admission to the WSU nursing program.

Applicants who have been treated for mental illness or substance abuse should discuss their eligibility status with the Utah State Board of Nursing. Acceptance to the nursing program does not assure eligibility to write the RN graduation licensing examination. The Utah Board of Nursing makes final decisions on issue of license.

Physically challenged and learning disabled students must register with the disability office prior to starting the nursing program if special assistance is required. Please call 801-626-6413.

Please visit [weber.edu/nursefunctreq](http://weber.edu/nursefunctreq) for the physical requirements of nursing.

# RN Completion Nursing Program

WSU's RN Completion Program offers working practical nurses, or those eligible to be licensed, an opportunity to advance their skill base while advancing their careers and earning potential in the health-care system. WSU's Associate of Science Degree Nursing Program is designed to prepare graduates for entry-level clinical practice as registered nurses. The program is structured for graduates to receive either an Associate of Science or an Associate of Applied Science degree. Graduates of the associate's degree nursing program are eligible for registered nurse licensure upon successful completion of the National Council of State Boards of Registered Nurses exam (RN-NCLEX).

## Application Deadlines

Application deadlines vary depending upon which campus you attend. Applications will be sent out according to the dates listed for each campus.

### Weber State University Ogden

**ADMISSION FOR:**      **APPLICATIONS ACCEPTED:**  
 Fall semester      Feb. 1 - April 5  
 Spring semester      Sept. 1 - Nov. 10

### Utah State University - Logan

**ADMISSION FOR:**      **APPLICATIONS ACCEPTED:**  
 Fall semester      Feb. 1 - April 5

### Davis Applied Technology Center - Kaysville

Only for current PN students at the DATC. All other applicants should apply to WSU Ogden or WSU/USU in Logan.

### Outreach RN Completion program

Go to [weber.edu/nursing](http://weber.edu/nursing) and choose "outreach" for further details.

## Application Requirements

1. Apply to Weber State University at [weber.edu](http://weber.edu).
2. Apply to the RN Completion Program. Send your official transcripts to WSU's Admissions Office and a copy of your transcripts, along with your RN Completion Program application, to the Dumke College of Health Professions admissions office.
3. Pay the nursing application fee.

Graduates of programs not accredited by the National League for Nursing Accrediting Commission must also take the NLN Acceleration Challenge Exam I. For more information, contact the RN Completion Program office at [price@weber.edu](mailto:price@weber.edu).

### By the application deadline, you must:

1. Pass the PN Comprehension Predictor Examination, a computerized comprehensive nursing exam. This is required of all applications. (One-year time limit as of application deadline).
2. Earn a cumulative grade point average of 3.0 or above. If you have five or more years work experience as a PN, the cumulative GPA requirement is 2.5, as long as the nursing GPA is still a 3.0 or higher.
3. Earn B- or better grades in all PN nursing courses, or demonstrate one year of work experience as a full-time licensed practical nurse.

## Review Process

RN Completion applications are reviewed by the nursing program's Admissions and Advancement Committee. A point system is used to facilitate candidate selection.

## Admission Requirements

Prior to entering the program, you must:

- Complete the prerequisite classes needed for the RN Completion Program at the time of application. (See prerequisite list.) All prerequisite courses must be completed prior to beginning the nursing program.
- Complete or currently be enrolled in a PN program.
- Pass the NCLEX-PN or be NCLEX-eligible as a practical nurse in the state of Utah with an unencumbered license.

*Successful completion of course work and challenge examinations does not guarantee admission to nursing programs.*

## Prerequisite Courses

Prerequisite courses must be passed with a "C" grade or higher. All accepted students must complete Option I or II by the end of summer semester prior to starting the nursing program.

Course Number	Course Title	Credits
<b>Science</b>		
<i>Option I</i>		
HTHSCI 1110/1111	Biomedical Core with Lab	8
CHEM 1050**	Intro. to General, Organic, and Biochemistry	5
MATH	Quantitative Literacy	3/4
or		
<i>Option II</i>		
ZOOL 2100	Human Anatomy	4
ZOOL 2200	Human Physiology	4
CHEM 1050**	Intro. to General, Organic, and Biochemistry	5
MATH	Quantitative Literacy	3/4

**\*\*CHEMISTRY NOTE:** For applicants attending a college or university where Chemistry 1050 is not available, take Chemistry 1110. In addition, some graduate nursing programs require two sections of Chemistry; therefore, Chemistry 1110 and Chemistry 1120 would be a best choice. Talk with an advisor.

### Support (prerequisites)

MICRO 1113	Introductory Microbiology	3
NUTRI 1020	Foundations in Nutrition	3
PSYCH 1010	Introductory Psychology	3
HLTHSCI 2230	Introductory Pathophysiology	3

### General Education (prerequisites)

ENG 1010	Introduction to Writing	3
	Quantitative Literacy	3
	Humanities (HU)*	3
	American Institutions*	3

### General Education (not prerequisites)

ENG 2010	Intermediate Writing	3
	Humanities (HU) or Creative Arts (CA)	3
	Computer Information Literacy*	3
	Creative Arts*	3
	Social Science (SS)*	3
	Diversity*	3

\*Not required for the Associate of Applied Science (AAS) degree

Some prerequisite courses are offered through WSU Independent Study and Online Learning (801-626-6600). The nursing program dates and deadlines override Continuing Education, Online and Distance Learning guidelines. Support courses must be completed and grades posted two weeks prior to nursing orientation.

## Second Year Course Outline

All nursing courses must be passed with a "B-" grade (80 percent) or better to proceed in the program.

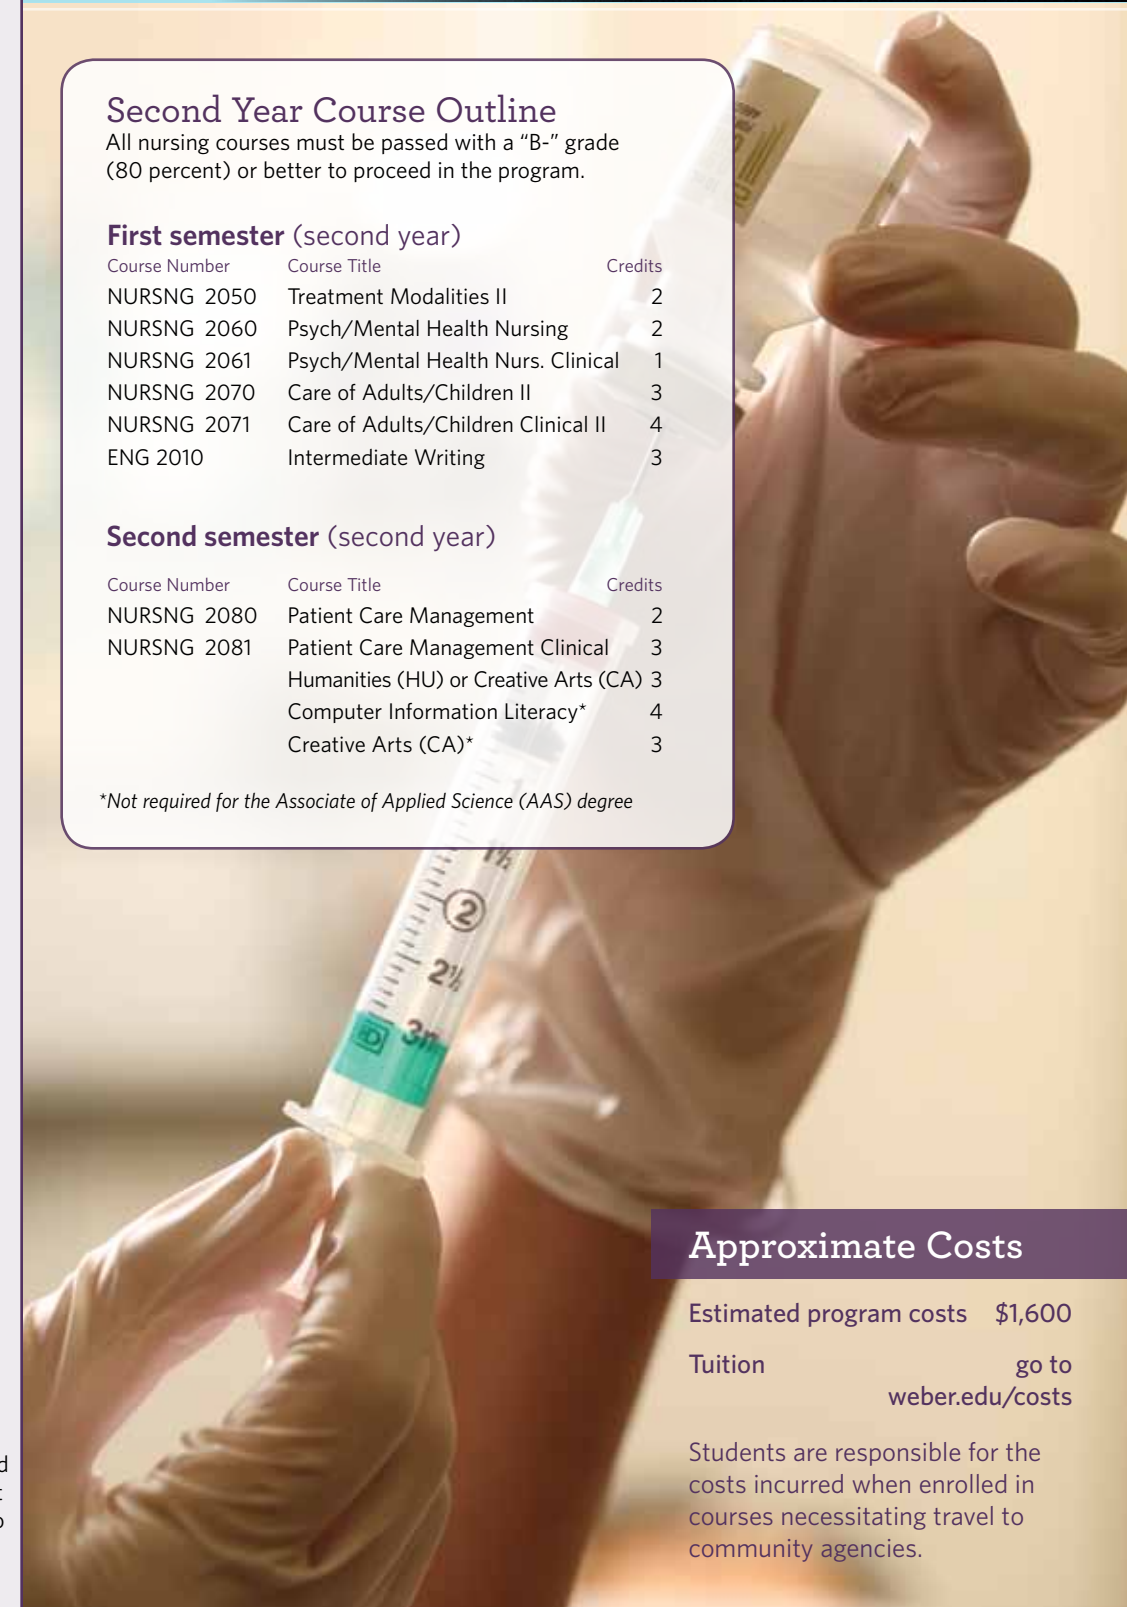

### First semester (second year)

Course Number	Course Title	Credits
NURSNNG 2050	Treatment Modalities II	2
NURSNNG 2060	Psych/Mental Health Nursing	2
NURSNNG 2061	Psych/Mental Health Nurs. Clinical	1
NURSNNG 2070	Care of Adults/Children II	3
NURSNNG 2071	Care of Adults/Children Clinical II	4
ENG 2010	Intermediate Writing	3

### Second semester (second year)

Course Number	Course Title	Credits
NURSNNG 2080	Patient Care Management	2
NURSNNG 2081	Patient Care Management Clinical	3
	Humanities (HU) or Creative Arts (CA)	3
	Computer Information Literacy*	4
	Creative Arts (CA)*	3

\*Not required for the Associate of Applied Science (AAS) degree

## Approximate Costs

Estimated program costs      \$1,600

Tuition      go to  
[weber.edu/costs](http://weber.edu/costs)

Students are responsible for the costs incurred when enrolled in courses necessitating travel to community agencies.
