Block 2

This professional development course is designed for non-social work majors who have or wish to have experience in the delivery of social services. Using an ecological and generalist approach to social work practice at the individual, family, group, organization, and community levels, this course provides training in a planned client change process and considers social work roles at various levels. A significant focus of this course is the study of the application of key values and ethical principles, as defined by the National Association of Social Workers (NASW), to professional practice and the resolution of ethical dilemmas. The course also includes content on the evaluation of practice and programs.

- This is a Hybrid class that meets the 2nd block of the Semester, (3/14/15 - 4/29/15). A professional development course for non-Social Work Majors who may have or wish to have experience in the delivery of social services. Contact the Social Work Office 801-626-6157 or tracyhicks@weber.edu for registration instructions.
