Cohort Type: Health Administrative Services Cohort

Description: To be eligible to register for HAS/HIM courses, you will need to be added to a Health Administrative Services Cohort. A Cohort code will be attached by the HAS Department to allow students to register for classes in their major only after 1.) The major Program's pre-requisite requirements have been satisfied; and 2.) The student has applied and been accepted to their major course of study (Health Administrative Services, Long-Term Care Administration, Health Promotion, Health Information Management, Health Information Technology, Health Care Coding/Classification). This ensures registration of the proper courses to complete your designated program.

Contact: Marzzieh Islami, 801-626-7242

Cohort Type: Health Promotion Cohort

Description: To be eligible to register for Health Promotion courses, you will need to be added to a Health Promotion Cohort. This ensures registration of the proper courses to complete your designated program.

Contact: Sherrie Jensen, 801-626-7425
