2a. Demonstrate knowledge of content.
- Demonstrates basic content knowledge and identifies key concepts.
- Communicates meaningful content knowledge to students.
- Incorporates extensive knowledge to expand student understanding, using multiple perspectives.
- Presents comprehensive content knowledge and understanding of key concepts, focusing on multiple perspectives within and across subject areas.

2b. Demonstrate knowledge of age-appropriate pedagogy.
- Demonstrates basic understanding of developmental instructional needs.
- Plans for adjustment of instruction-based student developmental skills, backgrounds, and prior knowledge.
- Incorporates knowledge of student development into planning daily instruction.
- Uses a variety of age-appropriate, research-based teaching strategies in planning curriculum.

2c. Design and articulate instruction aligned with Utah State Core Curriculum standards.
- Uses Utah State Core Curriculum standards and district standards to plan instruction.
- Aligns instructional goals with Utah State Core Curriculum standards and district standards, and communicates these goals to students.
- Integrates the Utah State Core Curriculum standards and district standards into the curriculum, focusing on student learning outcomes.
- Utilizes Utah State Core Curriculum standards in designing instruction that is highly relevant and reflects best teaching practices across the curriculum.

2d. Select instructional goals based on student achievement data and knowledge of students.
- Uses basic assessment materials from district and state-provided teacher resources.
- Develops some strategies to use assessment tools to guide and monitor instructional goals.
- Uses a variety of assessment tools to guide and monitor instructional goals.
- Involves students in analysis of a wide variety of assessments to set relevant instructional goals and plan for student misconceptions.

2e. Connect curriculum to student development and cultural background.
- Connects minimally to student development and cultural background.
- Adjusts lessons plans occasionally, recognizing individual student skills, backgrounds, and learning styles.
- Incorporates student backgrounds and learning styles in planning differentiated instruction.
- Integrates cultural backgrounds and learning styles to facilitate student involvement in planning instruction and assessment.

### 3a. Communicate instruction clearly and accurately.
- **BASIC**
  - Gives directions and establishes procedures for instruction.
- **EMERGING**
  - Gives directions and establishes procedures with some clarification for instruction.
- **PROFICIENT**
  - Gives clear, detailed directions and establishes effective procedures for instruction, checking for student understanding.
- **MASTER**
  - Gives explicit directions and establishes detailed procedures for instruction, anticipating student misunderstanding.

### 3b. Use research-based instructional strategies to enhance student learning.
- **BASIC**
  - Uses provided instructional strategies to deliver learning.
- **EMERGING**
  - Includes research-based instructional strategies for learning.
- **PROFICIENT**
  - Engages students in research-based instructional strategies and best practices that are appropriate to enhance learning.
- **MASTER**
  - Involves students in research-based instructional strategies that engage students in collaboration and critical thinking to expand content understanding.

### 3c. Accommodate individual students' cultural, physical, emotional, social, and intellectual growth.
- **BASIC**
  - Recognizes individual differences in students.
- **EMERGING**
  - Accommodates differences in student needs for instruction.
- **PROFICIENT**
  - Incorporates student differences into instruction.
- **MASTER**
  - Involves students in incorporating and building upon individual student strengths and differences.

### 3d. Reflect on teaching and learning.
- **BASIC**
  - Recognizes effective instruction.
- **EMERGING**
  - Uses reflection to recognize the effectiveness of instruction, and makes suggestions for improvement.
- **PROFICIENT**
  - Uses reflection to accurately assess and adjust instruction to improve student learning.
- **MASTER**
  - Makes a thoughtful and accurate assessment of instruction through reflection, and draws on an extensive repertoire of skills to promote student success.

### 3e. Differentiate instruction to meet individual student learning needs.
- **BASIC**
  - Follows lesson plans strictly, and is aware of student differences.
- **EMERGING**
  - Adapts lessons to further engage students.
- **PROFICIENT**
  - Adjusts lessons based on student needs, questions, and interests using various strategies.
- **MASTER**
  - Uses an extensive repertoire of strategies to meet individual student needs.

3f. Incorporate understanding of the diversity of the school community into student learning.

- Acknowledges diversity of the school community.
- Connects the diversity of the school community to student learning.
- Integrates the diversity of the school community into student learning.
- Celebrates the diversity of the school community as an asset for student-driven learning.

3g. Integrate the Utah Life Skills document into student learning.

- Has knowledge of the Utah Life Skills document.
- Presents ideas from the Utah Life Skills document in isolation.
- Integrates the Utah Life Skills document into student learning.
- Assists students in acquiring life skills.

3h. Engage families as partners in student learning.

- Makes attempts to engage families in student learning.
- Involves families in student learning.
- Promotes and encourages family involvement in student learning.
- Utilizes student leadership in connecting families to student learning.

### Contingency Plan for a Single Lesson or Unit

**Utah Professional Teacher Standards**

1. **Assessing and Evaluating Student Learning**
   - 4a. Assess learning goals based on Utah State Core Curriculum standards.
   - 4b. Use multiple sources of formal and informal assessment to verify student learning.
   - 4c. Maintain accurate records of student progress.
   - 4d. Use student achievement data to inform instruction.
   - 4e. Communicate feedback on progress to students and parents/guardians.

2. **Curriculum-Based Instruction**
   - 4c. Maintain accurate records of student progress.
   - 4d. Use student achievement data to inform instruction.
   - 4e. Communicate feedback on progress to students and parents/guardians.

3. **Formal Assessment**
   - 4b. Use multiple sources of formal and informal assessment to verify student learning.
   - 4c. Maintain accurate records of student progress.
   - 4d. Use student achievement data to inform instruction.
   - 4e. Communicate feedback on progress to students and parents/guardians.

4. **Informal Assessment**
   - 4a. Assess learning goals based on Utah State Core Curriculum standards.
   - 4b. Use multiple sources of formal and informal assessment to verify student learning.
   - 4d. Use student achievement data to inform instruction.
   - 4e. Communicate feedback on progress to students and parents/guardians.

5. **Maintaining Student Learning**
   - 4b. Use multiple sources of formal and informal assessment to verify student learning.
   - 4c. Maintain accurate records of student progress.
   - 4d. Use student achievement data to inform instruction.
   - 4e. Communicate feedback on progress to students and parents/guardians.

6. **Using Records**
   - 4b. Use multiple sources of formal and informal assessment to verify student learning.
   - 4c. Maintain accurate records of student progress.
   - 4d. Use student achievement data to inform instruction.
   - 4e. Communicate feedback on progress to students and parents/guardians.

7. **Communicating**
   - 4a. Assess learning goals based on Utah State Core Curriculum standards.
   - 4b. Use multiple sources of formal and informal assessment to verify student learning.
   - 4c. Maintain accurate records of student progress.
   - 4d. Use student achievement data to inform instruction.
   - 4e. Communicate feedback on progress to students and parents/guardians.

### STANDARD FIVE
Demonstrating professionalism to support student learning

#### 5a. Understand and act consistently with education laws.

ALL TEACHERS MUST MEET STANDARD.
Utah Administrative Rule 686-103. Professional Practices and Conduct for Utah Educators
- Understands and adheres to federal and state laws, State Board of Education Administrative rules, local board policies, and supervisory directives.
- Exercises good judgment and prudence in the educator’s personal life to avoid the impairment of the educator’s professional effectiveness.
- Respects the cultural values and standards of the school community.

#### 5b. Demonstrate moral and ethical conduct as educators and role models for young people.

ALL TEACHERS MUST MEET STANDARD.
Utah Administrative Rule 686-103. Professional Practices and Conduct for Utah Educators, including but not limited to the following:
- Does not participate in criminal activity.
- Does not participate in inappropriate sexual conduct.
- Does not use school/district computers inconsistently with state law or district/school policies.
- Follows appropriate instruction and protocols for standardized testing.
- Does not harass students or colleagues.
- Maintains student confidentiality.
- Actively includes students in education programs without regard to race, color, creed, sex, national origin, marital status, political or religious beliefs, physical or mental conditions, family, social or cultural background, or sexual orientation.
- Supervises students appropriately and consistently at school or school events according to district/school policy.
- Maintains appropriate student-teacher relationships and boundaries with all students at all times, including not participating in personal or intimate relationships with students.
- Maintains school-related financial records and accounts with accuracy and integrity, and consistently with school/district policy.
- Does not exploit professional position for personal or financial gain.

#### 5c. Maintain professional demeanor and appearance.

- Follows school/district policy or supervisory directives on appropriate dress.
- Models professional appearance appropriate to the educational activity.
- Demonstrates positive behavior and good will within the school community.
### UTAH PROFESSIONAL TEACHER STANDARDS
#### CONTINUUM OF DEVELOPMENT

<td></td>
</tr>
<tr>
<td>Student-Centered</td>
<td>BASIC</td>
<td>EMERGING</td>
<td>PROFICIENT</td>
</tr>
</tbody>
</table>

#### 5d. Establish professional goals, reflect on teaching, and pursue opportunities to grow professionally.

- **BASIC**
  - Has few professional goals and reflects only on a few elements of teaching.
  - Attends required professional development activities.

- **EMERGING**
  - Uses teacher standards and reflection to develop a professional plan.
  - Accepts opportunities to grow professionally.

- **PROFICIENT**
  - Uses teacher standards and reflection to develop a professional vision.
  - Seeks opportunities for professional learning and growth.

- **MASTER**
  - Communicates a professional vision, engaging in action research, problem solving, and reflection.
  - Collaborates with others in professional development for the purpose of improving student learning.

#### 5e. Contribute to the educational community, and demonstrate professional leadership.

- **BASIC**
  - Maintains cordial relationships with colleagues.
  - Participates in school/district assignments, events, and projects as required.

- **EMERGING**
  - Supports and cooperates with colleagues in fulfilling the duties that the school requires.
  - Volunteers to participate in school/district assignments, events, and projects.

- **PROFICIENT**
  - Supports and builds collaborative relationships with colleagues to improve student learning.
  - Actively engages in making a substantial contribution to school/district assignments.

- **MASTER**
  - Engages in professional dialogue with colleagues to inform instruction, and takes initiative in shared leadership within the school community.
  - Assumes a leadership role in school/district assignments, including mentoring new educators.

#### 5f. Act as an advocate for students, consistent with professional standards and with respect for parents and families.

- **BASIC**
  - Develops an awareness of student needs.
  - Begins to speak on behalf of students.

- **EMERGING**
  - Incorporates strategies that serve student needs.
  - Speaks on behalf of students as needs arise.

- **PROFICIENT**
  - Works within the context of a particular team or department to ensure that all students receive opportunities to succeed.
  - Shows concern for needs of students, and seeks resources to meet these needs.

- **MASTER**
  - Makes considerable effort to ensure that all students, particularly those traditionally underserved, are well served, and challenges unfair processes and negative attitudes.
  - Becomes a strong voice for the education of students in the community and the state, and initiates opportunities for student advocacy.
