Honor Activity

The WSU Honors Program has asked for our help in an ongoing service opportunity. They are collecting socks to help persons at St. Anne’s in Ogden. There are blue boxes all over campus, so bring socks that are new or lightly used and put them in the boxes. This will be silent service. You will not report it to anyone, you will not receive credit or service hours, but you will feel accomplished.

People are in need at St. Anne’s, and right now they’re in need of socks. The socks you donate could be new or clean and lightly used. Socks for any gender, any age, any foot size would be appreciated and used.

These boxes will be in place through February 28th. I would suggest not putting it off. This is not an opportunity you want to miss out on.

Treasure hunt: Boxes may be located in the Shepherd Union, Elizabeth Hall, Wattis Building, Stewart Library, and Davis Campus.

Book Group

Our Spring Book Group is coming up! I met several of you at the book reveal, and I look forward to discussing a book with you!

Reminder: Aletheia Club is for people who are outstanding. If you came to the Book Group in the Fall, you have already met the requirement for the 2012-2013 school year. If you want to be amazing, tell Dana you want to read this book too, then read it and come discuss it with your Aletheia Buddies on March 20th. We’ll be in the Hetzel-Hoellein room on the 3rd floor of Stewart Library at 1:30.
Service Hours

You may have heard that the Community Involvement Center (CIC) is changing its name. In the near future, it will be referred to as the Center for Community Engaged Learning (CCEL). This will not change the required service hours or the process for recording those hours. Even the due date for those hours will remain the same.

All Aletheia Service Hours, to be counted towards your 2012-2013 requirements, will be due to the CIC/CCEL before June 1, 2013.

Service Hours Again

It can be hard to think of somewhere to serve and it can be hard to motivate yourself to serve people you don’t know.

My Advice: If you’re having trouble getting service hours, e-mail me. Tell me which program (through the CCEL) you may be interested in serving at. We'll look into scheduling a service opportunity together, then we'll e-mail all the club members and invite them to join us for whatever we've scheduled.

This could be so much fun you guys!

Hey… I’m an Aletheian too!

In an effort to help you get to know one another, we have decided to start spotlighting one or two students in each newsletter. Enjoy the first episode of Hey… I’m an Aletheian too!
