From your new President

Welcome Back! I am excited for the opportunity to get to know each of you better & enjoy being Aletheians together. We have some fun ideas for the upcoming semester & hope to see you soon. Keep working hard, and remember to laugh every day. Feel free to let me know if there is anything I can do to make your college experience better.

Did you know…?

Beginning Fall 2014 a new requirement will be added for Presidential Scholars. You must take a minimum of 15 credits each semester. This is to help students finish school before your scholarship expires (eight semesters). Keep this in mind as you figure out what classes need in the future!

Honors Membership

You ARE in the Honors Program due to your membership in Aletheia. You can go into the Honors Center or go to the Honors page through your student portal to learn about honors opportunities.

Service Hours

Every Aletheia student must complete 12 volunteer hours every year. We will continue to keep an eye out for opportunities and keep you all updated. Here are some helpful hints for using WeberSync to track your hours.

You can make the pdf bigger if you cannot read this, or I can email it to you.

Hey… I’m an Aletheian too!

Meet some of your fellow Aletheians so you can say “Hello” on campus. We would love to highlight you too, so email your information to Dana.
