Honors Membership

You ARE in the Honors Program due to your membership in Aletheia. You can go into the Honors Center or go to the Honors page through your student portal to learn about honors opportunities.

Honors Classes

Every student of Aletheia must complete one honors class each year. If you did not take an honors class fall semester then you must take an honors class in the spring semester. Classes are filling up quickly!

Book Club

Book Club is held twice a year. If you did not participate in the fall book club, you must participate in the spring book club. Please let Dana know which book you would like to read and she will get a copy in ASAP. She has a few of each title in her office for those who would like to read over the break. Call or email Dana at danagibson@weber.edu or 801-626-6006.
