Service Hours FAQs

Complete at least twelve hours of service each year. These service hours must be recorded at the Center for Community Engaged Learning (CCEL).

- First you must register to use the WeberSync tracking system.
- Then log all of your service hours. Just follow the instructions below.
- Your service may be completed during the academic year. For the 2014-15 academic year, I will accept hours completed from June 1, 2014-May 31, 2015.
