NEW ALETHEIANS

Welcome to our new Aletheians! We have a big group of students joining us in the fall, and we are so happy to add you to our club. We wanted to include you in the last newsletter of the year so you can get a feel for how we do things. You won’t understand everything you read, but I promise, if you check your email at least once a week and read your newsletters, you will always know what’s going on. We know you have many questions, but I assure you we won’t leave you hanging. We have two New Aletheia Orientation sessions scheduled for the first week. They will be Tuesday, Sept. 1 at 8-9 a.m. and again at 2-3 p.m. in the Student Union Building, room 404. I’ll send more information before school starts, but WELCOME!

UNMET REQUIREMENTS

If you have not finished this year’s requirements, OR if you are unsure, get in touch with Dana right away. You have the month of May to wrap it up. Remember, your service hours must be turned in AND approved by your supervisor by May 31st in order to keep your scholarship. You can contact Dana at danagibson@weber.edu or call 801-626-6006.

HONORS CLASSES

Just a reminder that you will NOT need to get an override in order to register for Honors classes. The registration system will let you join any Honors class as long as you’ve been identified as an Aletheia student. This should already be done for you unless you were a late addition to Aletheia.

FACEBOOK

Hey. . .we need more of you to join our Facebook page. It’s growing slowly and it has been exciting to see people talking and exchanging helpful information! This is exactly what we love to see. Ireland is offering to give you a HUGE discount on her physics 1010 book. Last week, Ryan was looking for teacher suggestions for his chemistry 1210 class next semester. More people means more input! We also like to offer Candy Bar Breaks and the occasional Gift Card Giveaway. Join today!

How to Join: look up the “Aletheia-Weber State” page on Facebook, and ask to join. It is a private group, so the club presidency will accept you within a couple of days.
“Rest is not idleness and to lie on the grass under trees on a summer’s day, listening to the murmur of the water, or watching the clouds float across the sky, is by no means a waste of time.”

~ John Lubbock

**DANA IS PROUD OF HER ALETHEIANS**

I attended the spring piano recital and was so happy to see two of our own students perform. The music was incredible and as I watched them play, I was amazed by their talent. I think I was as proud as their own parents were. So, a big BRAVO to Katie Swainston & Jake Dame! I think you’re fabulous!

A big shout out to the students who volunteered at H. Guy Child’s Literacy Night last week. Lesli said she could not have done it without you and you were all so willing to do whatever she needed. I told her my Aletheians are the BEST!

**PROVOST’S OFFICE IS MOVING!**

Our office will be under construction this summer. This will not affect many of you because you won’t be on campus. But, if any of you need to see Dana, she will be relocated to student housing in Residence Hall 3, room 3108 (that is on the first floor). This will be from May 6-Aug. 20.
Hey... I’m an Aletheian too!
