

Bus Parking

February 12, 2015

Your busses may drop you off at the Technical Education Building. They will be required to park in the **northeast corner** of the **Dee Event Center parking lot**. There is a shuttle available to ride back over to campus, which runs approximately every five minutes.

Personal Vehicle Parking

Anyone driving a personal vehicle is responsible to obtain and pay for a parking pass at the information booth. The Auto Tech Department **does not** have the power to void any parking tickets.
