Botany Department Scholarship Criteria

The following criteria will be used by the Botany Department faculty to determine recipients of the Botany Department Faculty/Staff Scholarship and Cy McKell Scholarship. The criteria are not necessarily rank ordered, nor should they be considered absolute, but they will serve as guidelines for the selection process. For example, should no applicant meet the minimum criteria identified, the department may still choose to grant a scholarship to the most qualified.

Note: The levels of funding for the scholarship awards depends on the funds available in the scholarship accounts.

Minimum Requirements for all Scholarships:
- Must have updated your profile on the eWeber portal by January 9, 2017.
- Must be a full-time student (12 semester hrs. minimum) throughout the contract period.
- This application must include a copy of your transcript. (An unofficial copy is acceptable.)
- Must be a Botany major at time of application.
- Must have a minimum GPA of 3.0 overall.
- Must have a minimum GPA of 3.5 in Botany courses that count toward the Botany Major.
- Must have completed 12 semester hours of Botany courses that count toward the Botany Major. (If you will complete 12 semester hours by the end of the Spring semester in which you apply, you will qualify for the scholarship.)
- Must submit a one-page essay on how the scholarship will benefit you.
