Instructions - Complete Steps 1-5

1. **Schedule an appointment with your major/minor advisor.** Contact your advisor well in advance of the application deadline and inform your advisor that the purpose of your appointment is for graduation clearance.

2. **Meet with your major/minor advisor.** Your advisor and/or other designee will review your major, minor, general education and university requirements in Cattracks. Your advisor or other designee is responsible for the electronic submission of the appropriate clearances in Cattracks. **NOTE:** All clearances must be electronically submitted and all of the boxes must be checked as complete in your Cattracks degree evaluation before your degree can be awarded. Clearances can be viewed in the ‘Notes’ section appearing at the bottom of your Cattracks degree evaluation.

3. **Complete the Graduation Application** (see reverse side).

4. **Take your completed application to the Cashier's Office** (SC 209) and pay the application fee—there is a one-time non-refundable fee for each degree.

5. **Submit your application to the Registrar's Solution Center** (SC 101) by the above schedule of deadlines. Applications can also be mailed to the address found at the top of this application. Applications received with incomplete information or without the graduation fee will be returned to the student unprocessed. **Failure to follow the above instructions and obtain the necessary clearances will delay the award of your degree.**
