

In order to be accepted into the Online MLS BS Degree Program, you will need to have 3 of the following support courses completed with a C or better. If you have already taken equivalent courses from a regionally accredited institution we can give you credit for those courses successfully completed. These courses are all offered online at WSU:

CHEM	1110	Elementary Chemistry (Inorganic)	5 credits
CHEM	1120	Elementary Organic/Biochemistry	5 credits
HTHS*	1110	Biomedical Core (Anatomy)	4 credits
HTHS*	1111	Biomedical Core (Physiology)	4 credits
MICR	3603	Medical Microbiology (upper division)	3 credits
MICR	3203	Immunology (upper division)	3 credits
Or			
	HTHS* 3328	Pathophysiology I (upper division)	2 credits
AND	HTHS* 3329	Pathophysiology II (upper division)	2 credits

* HTHS stands for "Health Sciences"
