The clinical facility is located at the Weber State Football Stadium. The hours of operation are 8:00 A.M. to 5:00 P.M., Monday-Friday.

When completing a rotation at this clinical facility my three main expectations for you are:

1. Evaluation of different areas of the body – with specific Dx, and identifying these.
2. Treatment of different Dx and different age populations.
3. Work on documentation purposes from athletes to the general population.
