- Classes scheduled on Sundays must be picked up Saturdays by 3:00 PM and returned by 9:00 am on Monday.

To reserve equipment: Your initial class reservations must be made in person. The first rental and class contract process can take up to 30 minutes so please plan accordingly. We strongly encourage students to come at least the day before your first class.

You will need to bring the following to the OP when reserving a Class Rental:
- A copy of your course schedule, so you can reserve the dates needed for upcoming classes. We will also hold a copy of this form for our records.
- A form of Deposit (Credit card). This will be held and not charged unless equipment is brought back late, dirty, damaged, or not returned.
- Your WSU student ID.
- Form of payment (Cash, Check, or Credit/Debit). All rentals must be paid in full at time of reservation.

During your reservation the OP staff will be fitting you with equipment, informing you of OP Rental Policies, and creating contracts for every reservation date. This initial reservation will allow for a faster rental process on the actual dates reserved.

On the Rental Day: OP staff will have your equipment ready for pick up as detailed on your reservation. You must present your ID to pick-up the equipment, NO Exceptions!

All OP cancellation policies, late fees, and other rental policies apply to Class Rentals. Please see the OP for complete details.
Returning Your Equipment: Equipment must be returned on the day and time that is listed due on your contract. Late fees are assessed at 1.5 times the non-discounted rate per day.

Changes to your Reservations: If a class is cancelled, re-scheduled or you change your plans you MUST contact the OP to change your reservation. If you do not change your reservation with the OP prior to the reservation day we will consider your reservation valid, used and non-refundable.
