In order to be accepted, you must be available both Monday and Wednesday afternoons from 3:00-5:30 PM each week. Monday planning and training meetings will occur on campus. You must have reliable transportation and be able to travel to the Weber downtown campus for tutoring each Wednesday. Failure to miss any meetings, trainings, or tutoring sessions may automatically disqualify you from the full scholarship award. You must be dependable, organized, and responsible. If accepted, you will be loaned a Chromebook and additional supplies/resources that you will need to bring with you to each training, planning, and tutoring session. The Chromebook along with any additional supplies/resources that are stamped or marked as property of Weber State University or Project LIFE will need to be returned in good condition at the end of each semester. Upon successful completion of your tutoring responsibilities, you will qualify for a $1,000 scholarship for a future semester to be used for books or tuition.

I have read and understand the expectations and responsibilities and agree to follow them.
