Final Exam** to be announced

*Tests will be given in the social science testing center during a limited time period between the hours of 7:30 a.m. and noon on designated days. If you absolutely must reschedule a test, and have proof of authorization, you must contact me in advance of the test for permission, and any rescheduled test (early, or late) may incur a point deduction depending upon circumstances and at my personal discretion. A test that has been scored and returned to the class cannot be made up or rescheduled and will count zero. NO rescheduling of the Final Exam—plan ahead NOW to be there or score zero on that test!

Free Choice Policy: You have personal freedom to choose to attend class, read assigned materials, participate in discussions, ask questions, take tests, or not, but you are also personally responsible for the consequences of your choices, including the grade you will earn and receive as a result of your choices. Your term grade depends solely on test scores based on material from the textbook, handouts, & lectures; there is no “extra credit”! Failure to study assigned material prior to attending lecture, and missing class, or being inattentive and disinterested will likely lower your test scores and term grade.

Grading: A = 91-100%, A- = 90%; B+ = 89%, B = 81-88%, B- = 80%; C+ = 79%, C = 70-78%; C- = 60-69%; D = 50-59%; E = 0-49%.

Any student requiring assistance due to or associated with personal handicap must contact Services for Students with Disabilities for assistance.
