Psychology Practicum Opportunities
Fall 2010

• Washington High School – Fall (Supervised by Maria Parrilla, Melinda Russell-Stamp, and Teri Kay)
  - Tutoring and social skill building with high school age students whose diversity includes gender, ethnicity, SES, motivation, and educational experience.

• WSU Counseling Center – Fall (Supervised by Teri Kay)
  - Help staff therapists design and provide outreach presentations (e.g. stress management) and organize national screening days. Possible research opportunities.

• Treehouse Children’s Museum – Fall (Supervised by Eric Amsel)
  - Assist museum staff in designing and implementing programs that emphasize literacy.

DaVinci Academy – Fall (Supervised by Eric Amsel)
  - Tutoring, working with teachers and staff in an alternative high school setting.

• Process
  - Complete and return application form to the Psychology department secretary by Friday, March 26.
  - Interview with faculty (we’ll schedule this with you).
  - We let you know.
  - Complete a background check (after you are offered a site). This is for sites that involve work with children and adolescents.
