

## Psychology Practicum Opportunities Spring 2010

- **WSU Counseling and Psychological Services Center (Supervised by Theresa Kay)**
  - Help staff therapists design and provide outreach presentations (e.g. stress management) and organize national screening days. Possible research opportunities.
- **DaVinci Academy (Supervised by Eric Amsel)**
  - Tutoring, working with teachers and staff in an alternative high school setting.
- **Washington High School (Supervised by Maria Parrilla, Melinda Russel-Stamp, and Theresa Kay)**
  - Tutoring and social skill building with high school age students whose diversity includes gender, ethnicity, SES, motivation, and educational experience.
- **Tree House Children's Museum (Supervised by Eric Amsel)**
  - Assist museum staff in designing and implementing programs that emphasize literacy.
- **Process**
  - Complete and return application form to the Psychology department secretary by **Friday, 11/13.**
  - Interview with faculty (we'll schedule this with you).
  - We let you know.
  - Complete a background check (after you are offered a site). This is for sites that involve work with children and adolescents.
