# Course Schedule Planner

The course schedule planner is a useful tool to use when deciding on what courses you want to take in a given semester. Fill in the information on the courses you are considering and then whittle the list down based on how important the course is to your degree completion, whether or not there are seats available (go to class schedule) in that section, and how well it fits into a schedule with the other classes in which you are interested, etc.

| Course ID | Department | Course # | Credit Hours | Time | M | Tu | W | Th | F | S | Bldg., Room |
|---|---|---|---|---|---|---|---|---|---|---|---|
| | | | | | | | | | | | |
| | | | | | | | | | | | |
| | | | | | | | | | | | |
| | | | | | | | | | | | |
| | | | | | | | | | | | |
| | | | | | | | | | | | |
| **Alternate Classes:** | | | | | | | | | | | |
| | | | | | | | | | | | |
| | | | | | | | | | | | |
| | | | | | | | | | | | |
| | | | | | | | | | | | |
