Psych 2730: BioPsychology
Summer 2010
Tues 5:30 pm - 8:10 pm
SS 347

Professor’s Name: Dr. Sarah Farnsworth
Professor’s e-mail: sarahfarnsworth@weber.edu
Office Hours: Tues 8:10 – 8:40pm; Also by appointment
Office Location: SS 327
BlackBoard Learning System: http://online.weber.edu

I. Required Materials
      If you have the 8th or 9th edition, that will work as well.
   B. #2 Pencils for taking exams
   C. 50 cents, for purchasing exam scan-tron sheets
   D. Desire to learn and have fun with BioPsychology!

II. Course Grade
   A. Examinations
      1. Four preliminary examinations will be given during the semester
         (each will make up 20% of your grade). All exams will be taken in the
         Social Sciences Testing Center. See end of syllabus for information on testing
         center hours. You have 3 days to take each exam.

      2. A comprehensive final examination (20% of grade) will be given August 10th-12th in
         the Social Sciences Testing Center.

      3. You may NOT make-up any exam that is missed. You have 3 days to take each
         exam, so please schedule your time wisely. We will not have class on the day
         of the exam. If you have a scheduling conflict, you may schedule to take an
         exam a day early at no penalty (you must notify me in writing to do this). NO
         EXAMINATIONS WILL BE GIVEN AFTER THE EXAMINATION PERIOD IS
         OVER. Your lowest exam grade will be dropped. So, if after the 4 preliminary

exams you have an A average, you do NOT have to take the final exam! So do well during the semester 😊

4. Extra Credit will be offered on each exam. As the name implies, this is credit for work above and beyond what most students normally do. This means that the grading for extra credit is more rigorous, and it is all or none. If you perform in a substandard fashion, you may not receive any credit. You may not go back at the end of the semester and try to bring your grade up by completing numerous extra credit assignments. The only opportunity for extra credit is found on the examinations.

B. Grading Scale
The course grade will be assigned according to the scale indicated below:

<table>
<thead>
<tr>
<th>Numeric Score</th>
<th>Letter Grade</th>
</tr>
</thead>
<tbody>
<tr>
<td>90-100</td>
<td>A</td>
</tr>
<tr>
<td>87-89</td>
<td>B+</td>
</tr>
<tr>
<td>83-86</td>
<td>B</td>
</tr>
<tr>
<td>80-82</td>
<td>B-</td>
</tr>
<tr>
<td>77-79</td>
<td>C+</td>
</tr>
<tr>
<td>73-76</td>
<td>C</td>
</tr>
<tr>
<td>70-72</td>
<td>C-</td>
</tr>
<tr>
<td>67-69</td>
<td>D+</td>
</tr>
<tr>
<td>60-66</td>
<td>D</td>
</tr>
<tr>
<td>Below 60</td>
<td>E</td>
</tr>
</tbody>
</table>

III. Course Outline

<table>
<thead>
<tr>
<th></th>
<th>May 4</th>
<th>May 11</th>
<th>May 18</th>
<th>May 25</th>
<th>June 1</th>
<th>June 8</th>
<th>June 15</th>
<th>June 22</th>
</tr>
</thead>
<tbody>
<tr>
<td></td>
<td>Overview</td>
<td>Synapses</td>
<td><strong>EXAM 1</strong></td>
<td>Anatomy of the Nervous System</td>
<td>Development and Plasticity of the Brain</td>
<td><strong>CH 4 &amp; 5 CONTINUED</strong></td>
<td><strong>Exam 2</strong></td>
<td>Vision</td>
</tr>
<tr>
<td></td>
<td>Nerve Cells &amp; Nerve Impulses</td>
<td></td>
<td><strong>CH. (1), 2 &amp; 3</strong></td>
<td></td>

<tr>
<td></td>
<td></td>
<td></td>
<td></td>
<td></td>
<td></td>
<td></td>
<td></td>
<td></td>
</tr>
</tbody>
</table>
### IV. Additional Information

#### A. Attendance

Attendance is not required for this class. However, anything discussed in class may be included on an exam, even if that information is not found in the textbook. In addition, video clips or longer videos that cannot be viewed at any time other than during class will be shown. Thus, it is in everyone’s best interest to attend, and it is **STRONGLY** suggested.

**IF you miss class, there are two things you can do to get the material you missed. You may get the outline from the PowerPoint online, and/or you may get notes from someone in class.**

#### B. Class Contact

Often it is necessary to miss a part or all of class. When that happens, or when you have questions that you cannot answer on your own, it is helpful to have the name and number of another student in class. Please use the space below to write down the name, email, and phone number of at least one student in this class who you can call (or you can use WebCT to email!):

__________________________________________________________________________
__________________________________________________________________________

#### C. Class Courtesy

This is a large class, so please be courteous to others when coming late to or leaving early from class. Also, please refrain from talking during class lecture, unless you are participating in a class discussion. Eating and drinking in class are allowed, as
Please turn off cell phones and beepers in class! Any disruptive behavior will be addressed immediately, and if the behavior does not cease, you will be asked to leave class.

D. Grade Appeals
If, after receiving an exam back during class, you think a mistake has been made in the grading of your exam, please do not ask about this during class. Write down on a sheet of paper what your questions are, provide reference to notes in class or specific pages from the book, and turn in these questions to me at the end of the class period. You will receive a response, and any grade adjustment necessary, by the next class period. This is the only way that your concerns will be addressed. Only written questions that you support will be evaluated for grade changes.

E. Plagiarism/Cheating
Whenever you try to pass off someone’s work that is not your own, that is cheating. If you cheat on ANY assignment (even extra credit!), you will receive a grade of E (Failing) for the course. Please refer to the following web site for a complete listing of infringements that constitute cheating.

http://documents.weber.edu/ppm/6-22.htm

F. Students with Disabilities
Any student requiring accommodations or services due to a disability must contact Services for Students with Disabilities (SSD) in room 181 of the Student Service Center. SSD can also arrange to provide course materials (including the syllabus) in alternative formats if necessary.

G. Students’ Rights and Responsibilities
Please refer to the following web site for a complete listing of all WSU student rights and responsibilities.

http://documents.weber.edu/ppm/6-22.htm

V. Course Objectives
A. This course will teach students how Biological Psychologists attempt to relate behavior and experience to the activities of the brain and the rest of the body. Specifically, human and non-human behaviors will be studied to determine how they relate to specific brain activities and functions.

B. Students will learn about the relationship between the nervous system of the human body and how a body reacts to its environment. Students will learn how physiological systems, including parts of the nervous system,
sensory systems, perceptual systems, and regulatory systems, interact with the environment to produce behaviors and provide functioning in a variety of situations.

VI. Grade Record

Please keep a record of the grades you receive on each exam. This will help ensure that you are always aware of your academic progress in this class. You may also check your grades online.

Exam #1 ____
Exam #2 ____
Exam #3 ____
Exam #4 ____
Final Exam ______ Final Grade =
Average of 4 exams (your lowest is dropped after the final exam)

VII. Testing Center Hours

All exams will be taken in the Social Sciences Testing Center, located in the basement of the Social Sciences building (SS 036). In order to take an exam, you must show up on the correct date at the appropriate times (listed below) with a form of picture ID. You also need 10 cents to purchase a scan-tron for each exam. You will not be allowed to take the exam without a picture ID or if you show up after hours. Please see the Social Science Testing Center hours listed below.

http://departments.weber.edu/testingcenter/hours.htm

Monday - Thursday
7:30 AM - 6:30 PM (Must show up by 5:30 PM to take an exam)

Friday
7:30 AM - 4:30 PM (Must show up by 3:30 PM to take an exam)

Saturday
9:00 AM - 10:00 AM (Must show up by 11:00 AM to take an exam)

**The course syllabus provides a general plan for the course; deviations may be necessary. By continuing in the course after reading the syllabus, you are indicating that you accept the terms of the syllabus.**
