PROJECT INFORMATION SHEET

Title of Study: Associations Between Levels of Intrinsic Religiosity and Processing of Sexual Words

Experiment Open Date: Oct. 1, 2015  Experiment Close Date: Dec. 11, 2015

(IRB) Approval Number: 15-SS-210

Participation Credits: 3 credits

Time (duration): Approximately 45 minutes

Brief Description of Study:
Each participant will be asked to read and sign an informed consent upon arrival to the lab. Upon completion of the informed consent, participants will be given a number and directed to a computer where they will complete a series of lexical decision tasks, discriminating words versus non-words. After the lexical decision task, participants will complete two surveys.

Participation Criteria
Students between the ages of 18 to 50 may participate in this study.

Location
Psychology Stats Lab

Times
Times will be posted below on a separate sheet.

Researchers:
Dr. Aaron Ashley (psychology department)
Dr. Todd Baird (psychology department)
Dr. Shannon McGillivray (psychology department)
Kandalyn Fogg (psychology student)
