Creating a Turnitin Assignment

1. Login to WSU Online using eWeber username and password.

2. Select course from course list.

3. Click on the BUILD tab and click Course Content.

4. Click on Add Content Link

5. Click Turnitin Assignment

6. Click Create Turnitin Assignment

7. Type in the Assignment name and click Create Turnitin Assignment

8. Select the type of Assignment to create.
   Note: Creating a paper assignment you will need to set 3 dates. The start date, the due date and the post date. Then click Next Step

9. Enter in the assignment title and point value.
   Set the START date, DUE date, and POST date
10. Click More Options to change settings for submitting papers.

11. Click SUBMIT at the bottom of the screen when you are done.

12. The Turnitin assignment should now show in the course.

13. For more information on how to use Turnitin please view the online Turnitin Video Gallery at http://turnitin.com/static/support_video_gallery.html
