

Hello again from the Geosciences Department! We hope you find these weekly emails informative and helpful. Please feel welcome to reply back to these emails, or contact the person listed within any given piece of information, with any questions that you may have.

Two Weeks Until Department Scholarship Deadline: GEO Majors be sure to get your applications for department scholarships in soon. The deadline of February 22nd is fast approaching. Please note there are two processes to follow depending on the scholarships you wish to apply for. Both are attached to this newsletter, and extra copies may be picked up from the office (202M).

Party! The next SGE & GEO Club meeting will include a Geo Club T Shirt Unveiling Party. Come to the Art House Cinema at 158 25th Street in Ogden on Friday, February 22nd at 1:00pm. You'll have your own private screening of the movie, "Chasing Ice" (see attached flyer) and there will be generous food and drinks but there is only room for 28 so please sign up in the majors room so you are sure to get a seat. For more information, please email Julie Taylor at julietaylor7@mail.weber.edu.

Speaking of Geo Club T Shirts: The Geology Club T Shirts are ready for ordering and an order will go in on this Wednesday, February 13th. Be sure to get your order in! Order forms are in the majors' room. The winning design is attached; Congratulations K'Lila Bingham! (There will also be an added 4th line to the design which is, "They know their schist")

Mount Ogden Junior High Science Fair Needs More Judges: MOJH will be holding their Science Fair on February 21st. They are in critical need of judges and are asking for all students and professors to please consider if they can help. Judges will meet at 1:45pm in the gym, then judge from 2pm until approximately 4:30pm. If you can help, and to get more information, please email wolfem@ogdensd.org as soon as possible.

Paleontology/Geology Research Students: The Dinosaur Park is preparing for major renovation and expansion and needs a number of volunteers to do research about the displays and fossils in the museum to provide more information to the public. one of our recent grants has provided funding for new signs throughout the park and museum. They would like to insure that the information is current, correct, educational and fun. The contact person is Traci Wixon at 801-393-3466 and her email is traci@dinosaurpark.org. Please let her know if you would like to be a part of this fun project.

Student Research Seminar Series: These seminars are presented by the [Office of Undergrad Research](#). Learn how to conduct, present, and disseminate research as an undergraduate student by attending these sessions. Free lunch is provided at each one hour seminar listed on the attached flyer. They start soon, so check this out right away.

Association for Women Geoscientists Benefit: The Salt Lake Chapter of AWG will be holding their annual silent auction and scholarship benefit on March 23rd, 2013 from 7pm-10pm in the Zions Bank Building in SLC. Information on being both a sponsor and/or an attendee is attached. Please contact Jessica Castleton at 801-390-3665 or jessicacastleton@gmail.com for more information.
