The policy has been amended and has been made clear with a ten-day rule and an administrative withdrawal policy. This needed to say up to ten consecutive days to be consistent with the other paragraph. The last sentence needs to be taken out of the last paragraph. A parent /guardian must pre-notify---- of more than ten days given by law. Part of the policy is written to expand but a transcript hold can still be placed for kindergartners. It means that the student’s records will not be sent on to the next school.
