

Description

The Graphic Design intern will work closely with our Post Team, specifically Project Manager to learn all the ins and outs of creating commercial graphics or video and still content. With a true hands-on experience, the intern will walk away at the end of his/her internship with the use & learning of graphic design within a commercial sustainability software product.

Become an Impact Creator while working with a group of initiatives within Annapurna Solutions to create a brand while supporting ecologically sustainable communities and resilient cities.

Number of positions available: 2

Requirements

- Current student pursuing a Associates/ Bachlor's or Master's degree
- Seeking **course credit/ CPT** or **OPT** training [for International students]
- Excellent knowledge of Adobe CC (specifically Indesign, Illustrator, Photoshop, After Effects a plus!)
- Creative individual with his/her finger on the pulse of the industry of print & online media
- Patient individual that can keep calm under pressure.
- Detailed oriented, organized, punctual & able to work remotely
- Strong portfolio showcasing graphic design work and creative thinking.
