

Parent/Guardian Consent to Treatment of Minor

I acknowledge that my son/daughter has presented for services at the Weber State University Counseling & Psychological Services Center. I understand that Utah state laws mandate the consent of a parent/guardian prior to the provision of services to minors. I have read the conditions for participation in counseling and give my consent for my son/daughter to be treated at the CPSC. I know that I may discuss the information above with a counselor if desired.
