

WEBER STATE UNIVERSITY

Annie Taylor Dee School of Nursing - RN to BSN

Applicant Checklist for Summer Semester 2023 (Summer Semester starts Monday, May 8, 2023)

The RN TO BSN Program is for licensed Registered Nurses living in the State of Utah only.

Questions may be directed to Tiffany Bennett, RN to BSN Advisor at tiffanybennett@weber.edu (801)626-6122 or Robert Holt, Enrollment Director School of Nursing at rholt@weber.edu (801) 626-6753. E-mail will generally produce a quicker response.

- Application availability: Summer Semester 2023 Start (May 8, 2023) – applications available early January 23. (summer 23 & fall 23 – 2 straight semesters)
Fall Semester 2023 Start (August 28, 2023) – applications available April 10, 2023. (fall 23 & spring 24 – 2 straight semesters)
Spring Semester 2024 Start (January 8, 2024) - available mid-August 2023. (spring 24 & summer 24 – 2 straight semesters)
Duration of program: 2 semesters minimum of 25 credit hours 4000 level BSN courses. Part time options are available. Part-time can be anywhere from 3 to 9 semesters. The RN to BSN Program must be completed in three years' time or nine semesters before courses may need to be repeated.

Delivery method: Virtual Online -Hybrid: Specific dates for "optional" virtual synchronous classes are indicated at the beginning of the semester. At this time weeks 1,5, 9 & 14 are the weeks students who want to attend virtually can attend (approximately 2 days per week) during the indicated 4 weeks. Weeks may vary semester to semester.

OR

Online: The program will try to accommodate ALL interested applicants in this option that choose it. Please be aware that the program may fill all available online positions before all applicants are accommodated in this delivery method. Applicants at that point in time may be asked if they would take a virtual online hybrid delivery instead (rare).

Approximate number of positions available for each application cycle: 30 to 40 (90 to 120 over the 3 cycles per year). Some application cycles may see more returning/transferring RN's admitted than others due to continuing RN demand or not. No way to predict each cycle exactly how many positions will be available.

Table with 2 columns: Application deadlines and Final Deadline. Rows include Summer Semester 2023, Fall 2023, and Spring Semester 2024.

Application Eligibility Requirements (Must be met by the application deadline):

- 1. Cumulative GPA of 3.0 or higher (Regionally Accredited Institutions only). Registered Nurses who have two or more years of documented full time work experience (3 years part time) may apply if their Cumulative GPA is 2.5 or higher AND their Nursing GPA is 3.0 or higher from all "Nursing" courses.
2. AS or AAS (RN) in Nursing from a Regionally Accredited College or University as well as a Nursing Accredited program (both are required). In some cases students from non-Regionally Accredited Colleges or Universities who meet the GPA requirement, the prerequisites
3. Completed Baccalaureate Nursing Application (completed online. Email for the link to the application please).

PREREQUISITES must be completed one week prior to beginning the RN to BSN program (C or better grade. C- and below will not count) All prerequisites must be taken from a Regionally Accredited College or University:

- *Health Science 1110/1111 - Integrated Anatomy & Physiology I & II (8)
Chemistry 1130 (used to be 1050) or 1110 (1210 and other equivalents exist) (5)

One 3 credit hour Humanities or Creative Arts Course (HU or CA) (3)

* Zoology 2100 - Human Anatomy and Zoology 2200 - Human Physiology can also be taken (8 credits)

Please be aware that all WSU University Core and Breadth requirements although not a prerequisite will be required to graduate from the RN to BSN program. Please plan accordingly and know upfront that the program will take much longer than 2 semesters if you are missing these additional graduation requirements. See an advisor for further guidance.

Applicants that have completed the following courses by the application deadline: Health Science 2230 (3), Microbiology 1113 (3) and Nutrition 1020 (3) will be awarded extra points in the selection process (Must be passed with a "C" or better grade to count).

Selection Process: A competitive point application process takes place when we have more applicants than positions available. Criteria used in the point selection process include: Cumulative GPA; Science GPA (HTHS 1110 & HTHS 1111 (or equivalent) and Chemistry 1130 (or 1050)/1110; AS Degree or higher (Not AAS) completed and posted by the application deadline from a Regionally Accredited College or University; Pathophysiology 2230, Microbiology 1113 and Nutrition 1020 course(s) done; years of work experience as an RN; veteran status; early application deadline submission; alternate status; re-applicant status (no more than 1 pt available); and preceptor for Weber State University Associate Degree (AS) RN program in the last year. Additionally former WSU AS Degree (RN) graduates will be given extra points in the selection process.

All admitted applicants must have a current unencumbered RN License or be eligible for licensure in Utah. The RN to BSN program is for students living in the State of Utah. Applicants who are admitted may be allowed to start the program without having passed NCLEX-RN but will be required to pass NCLEX-RN during the 1st semester of the RN to BSN program in order to progress to the 2nd semester of the program (see advisor).

Applicants are strongly encouraged to e-mail the RN to BSN Advisor at tiffanybennett@weber.edu or the Enrollment Director at rholt@weber.edu before applying to verify that all prerequisites, etc are completed. In order for the review to be complete, a potential applicant must be admitted to WSU and have all official transcripts sent to WSU admissions for official review.

*These two courses potentially can be taken ahead of being admitted to the RN to BSN program (see advisor)

Please be aware of these other requirements:

● A total of **40 hours of Upper Division credit hours** are required for all BS Degrees at Weber State University:

➔ For students who graduated from a Regionally Accredited Associate Degree (AS / AAS) program the following applies:

25 of these 40 hours will come from courses taken within the RN to BSN Program (see above 2 semester plan). Former AS/AAS Degree Graduates from Weber State University or other regionally accredited college or university Associate Degree (RN) program will still need approximately 3 hours of an Upper Division elective course to reach the 40 credit hours needed for a BS Degree through Weber State University (25 BSN Nursing hours, 12 “Experiential Credit” credit hours from previous nursing AS/AAS course work and 3 hours of an “Upper Division” elective credit). Non-Regionally Accredited RN Graduates will need to make up these 12 hours of credit as it will not be granted.

➔ For students who graduated with an Associate of Science AS (RN) Degree **out of State** (non-USHE) that is Regionally accredited or an Associate of Applied Science (AAS) Degree (RN) from a School or College that is Regionally Accredited or **NOT** regionally accredited will all be required to complete the Weber State University CORE and Breadth requirements in order to graduate. Please plan accordingly. These students will for sure be going 3 or more semesters in order to fulfill all the University Graduation requirements as well as the RN to BSN program curriculum.

- All transfer students admitted to the program will be required to fulfill the **30 hours of “Residency Credit”** required for a BS Degree at Weber State University (25 BSN Nursing + 5 additional hours = 30 hour residency).
- Students entering with less than 92 (or 95 if the Upper Division 3 hours of Elective Credit have already been met) semesters hours must be prepared to complete extra course(s)/credit(s) to meet the Weber State University requirement of **120 total hours**. Students are responsible for review of personal records and knowledge of individual requirements for graduation.
