WEBER STATE UNIVERSITY

Annie Taylor Dee School of Nursing - RN to BSN

Applicant Checklist for Fall Semester 2024 (Fall Semester starts Monday, August 26, 2024)

The RN TO BSN Program is for licensed Registered Nurses living in the State of Utah only.

Questions may be directed to Tiffany Bennett, RN to BSN Advisor at tiffanybennett@weber.edu (801)626-6122 or Robert Holt, Enrollment Director of Nursing at rholt@weber.edu (801) 626-6753. E-mail will generally produce a quicker response.

*PLEASE NOTE- DUE TO RECENT CHANGES BY THE US GOVERNMENT on the post-COVID SEVP rule, non-immigrant students seeking a student visa will need additional non-nursing courses to participate in the RN to BSN program. The federal requirement calls for 9 hours of face-to-face credits per semester. Since the RN to BSN program is strictly online, an international student must add 9 credits (but no more) of face-to-face courses per semester to their RN to BSN online courses. In most cases, this will add a semester or 2 (at a minimum) and additional coursework (which increases cost) to the RN to BSN program of study. Students may register for up to 20 credit hours per semester without special permission.

Former AS/AAS Degree Graduates from Weber State University or other regionally accredited college or university Associate Degree (RN) program will still need approximately 3 hours of an Upper Division elective course to reach the 40 credit hours needed for a BS Degree through Weber State University (25 BSN Nursing hours, 12 “Experiential Credit” credit hours from previous nursing AS/AAS course work and 3 hours of an “Upper Division” elective credit). 2. All transfer students admitted to the program will be required to fulfill the 30 hours of “Residency Credit” required for a BS Degree at Weber State University (25 BSN Nursing + 5 additional hours = 30 hour residency).

3. Students entering with less than 92 (or 95 if the Upper Division 3 hours of Elective Credit have already been met) semesters hours must be prepared to complete extra course(s)/credit(s) to meet the Weber State University requirement of 120 total hours. Students are responsible for review of personal records and knowledge of individual requirements for graduation.
