Students accepted into the nursing program may be exposed to bloodborne pathogens during their time in the program. All admitted applicants will be required to complete a mandatory background check and drug screening. Admission to the program is contingent upon submission of a satisfactory background check and a negative drug screening. If you have a record of convicted criminal actions, it may affect your eligibility for admission to the WSU nursing program. Applicants who have been treated for mental illness or substance abuse should discuss their eligibility status with the Utah State Board of Nursing.

Physically challenged and learning-disabled students must register with the disability office prior to starting the nursing program if special assistance is required. Please call 801-626-6413.
