

Associate of Science in Nursing

Practical to Registered Nursing

Be a Registered Nurse

Are you currently working as a practical nurse who's ready to advance to a registered nurse (RN)? In our program, you will learn about person-centered nursing care, pharmacological therapies, collaboration with other healthcare team members, critical clinical judgment skills, and more. Graduate feeling confident to pass the National Council of State Boards of Nursing Exam (NCLEX-RN).

Program Highlights

- Offered in multiple locations and formats including: Ogden and Davis campuses, multiple tech partners, and hybrid-online.
- In two semesters (approximately 8 months) be eligible to take your NCLEX-RN.
- Learn with cutting-edge technology and innovative activities that allow you to experience advanced practice applications.

ANNIE TAYLOR DEE
SCHOOL OF

NURSING

WEBER STATE UNIVERSITY

Dumke College of Health Professions

With our Associate of Science in Nursing, your education will focus on the fundamental skills of nursing, creating the building blocks you need for your professional goals.

Upon graduation, you can take your NCLEX-RN exam. Passing this exam will allow you to work as an RN and continue your education at the same time.

With your degree and RN licensure, you can work in a variety of healthcare settings such as hospitals, physician offices, home healthcare services, and nursing care facilities.

Find your Brilliance.
