Please note: this program is for current Davis Tech College PN students during the 22/23 Academic Year who will be eligible in the state of Utah to take PN-NCLEX November/December 2022. Only if a student does not go on will there be any other available positions. All admitted applicants for the January 2023 start date must pass PN boards and have a Utah PN license by the end of the 1st semester (April 2023 Spring Semester) in order to continue beyond the 1st semester into summer 2023 (2nd semester). If you are not a current PN student at Davis Tech graduating November/December 2022 then this program is not for you and you should contact Robert Holt at rholt@weber.edu or (801) 626-6753 for information related to WSU/Hybrid-Online PN to RN offering that is available through Weber State University on a 3 times a year basis (Fall, Spring & Summer).
