

WEBER STATE UNIVERSITY
Annie Taylor Dee School of Nursing
WSU/Ogden-Weber Technical College PN to RN (AS/AAS) Program
APPLICANT CHECKLIST for Fall 2021

Please note: this program is for current OTech PN students during the 2020/2021 Academic Year who will be eligible in the state of Utah to take PN-NCLEX May/June 2021. PN boards must be passed and admitted students must have a Utah PN license by the end of the 1st semester [semester 3 / Fall 2021] of the two semester program in order to continue beyond semester three. If you are not a PN student at the OTech that will graduate May/June 2021 then this program is not for you and you should contact Robert Holt at rholt@weber.edu or (801)626-6753 for information related to other PN to RN offerings that are available through Weber State University. E-mail will produce a quicker response.

Questions related to information related to this program should be directed to Robert Holt at rholt@weber.edu (801) 626-6753

OVER-->

I am aware that this is a PN to RN Program and not a 2 year RN program. I am presently enrolled in a Practical Nurse Program that will be completed prior to August 30, 2021 or I am already a Licensed Practical Nurse in the state of Utah. You must have completed or will complete an accredited PN Program prior to the start of the WSU PN to RN Program. If you do not have your license, you must take NCLEX-PN and pass it prior to the end of the third semester or students will not be able to progress into semester 4.

Additional Graduation Requirements for the PN to RN Program [AAS] (Must be completed by graduation and are not considered prerequisites): Intermediate Writing - English 2010 (3), HU/CA [Humanities or Creative Arts elective course] (3), and 2 Hours of Residency Credit at Weber State. 20 hours total through WSU (Nursing 18 hours + 2 additional hours).

Associate of Science (AS) in Nursing: Please note that all admitted students are encouraged to complete all the additional general education requirements for a full Associate of Science Degree. This will enable a graduating RN student to be eligible to apply for progression into the RN to BSN program. If admitted students only graduate with the AAS Degree (Associate of Applied Science) they will not be in a position to apply for progression to the RN to BSN program. Additional general education / university requirements will be required in order to be eligible to apply to the RN to BSN program.

Selection Process: If an applicant meets the minimum application requirements and has the appropriate CUMULATIVE GPA and finishes the PN program at OTech successfully then there is a position for each and every OTech May/June 2021 graduate in the fall 2021 WSU/OTech PN to RN program start in August 2021.

Applicants are strongly encouraged to meet with an advisor before applying to verify that all prerequisites, etc., are completed. In order for the review to be complete, all transcripts must have been sent to WSU admissions for official review. Students must have applied to and be accepted to Weber State University in order to register for classes.

Nursing Courses (all nursing courses must be passed with a "B-" or better grade):

TOTAL NURSING HOURS	18
2 credit hour WSU residency	2 (Hard to find 2 credit hour course so - 3 hrs)

Total WSU Credits **credits required:** **20**

Physically challenged and learning disabled students must register with the disability office prior to starting the nursing program if special assistance is required. Please call 801-626-6413.
