

Annie Taylor Dee School of Nursing - PN to RN (AS/AAS) Program (Must live in Utah to be in this program)
Applicant Checklist for Summer 2023, Fall 2023 and Spring 2024

Please note: This program is for applicants who are PN NCLEX eligible in the state of Utah or currently hold an unencumbered PN license in the state of Utah. All admitted students in a PN to RN Program at Weber State University must take and pass PN-NCLEX prior to the end of the third semester).

Questions related to information on the PN to RN Program should be directed to Robert Holt at rholt@weber.edu or 801-626-6753.

Program(s) will only begin if enough qualified applicants apply, funding is secured and appropriate administration approval is given. Applicants may only apply to one WSU PN to RN Program per application cycle!

APPLICATION CYCLES AND POSITIONS AVAILABLE:

- Summer Semester 2023 Cycle: applications available the week of October 10, 2022.
Fall Semester 2023 Cycle: applications available the week of February 21, 2023.
Spring Semester 2024 Cycle: applications available the week of July 5, 2022.

Clinical/Clinical Simulation/labs: Clinical placement will be determined based upon admitted applicant location. Clinicals will be required every other week for 12 weeks during 3rd semester.

APPLICATION ELIGIBILITY REQUIREMENTS: must be met by the application deadline to be eligible.

- 1) Cumulative GPA of 3.0 or higher. WSU School of Nursing uses a CUMULATIVE GPA from all transcripts that are from "Regionally Accredited" colleges or universities that transfer to WSU.
2) May be a 2.5 Cumulative GPA if you have 2 or more years of full-time work experience (or 3 years part-time) as an LPN (on application deadline) and your Nursing GPA (Nursing ONLY courses) are at or above a 3.0.

PREREQUISITES: (6) which must be completed before the start of the first semester of the program with "C" or better grades.

Science Specific Prerequisites:

- 1] *Health Science 1110 - Integrated Anatomy & Physiology I [available WSU only] (4)
2] *Health Science 1111 - Integrated Anatomy & Physiology II [available WSU only] (4)
3] *Chemistry 1130 - Inorganic/Organic/BioChemistry (LAB is required) (4/1)
4] *Math Quantitative Literacy Requirement (Math Q.L.)- 1030 (or equivalent) (3)
* Zoology 2100 – Human Anatomy & Zoology 2200 – Human Physiology at Weber State (or their equivalent from transferring universities may also count). Must be either Zoology 2100 & 2200 or Health Science 1110 & 1111. Can not mix the two.

Chemistry 1110 or 1130 or 1210 are the 3 transferable course from other institutions to Weber State. Please note that beginning Summer 2023 forward that for the Chemistry science prerequisite the course and the lab will be required.

WSU Math Q.L. (Quantitative Literacy Requirement): Those with a previous degrees AS, BS, MS, from a "regionally accredited" college or university already meet the Quantitative Literacy requirement.

ADDITIONAL PN TO RN PREREQUISITE COURSES:

- 5] Introductory Psychology – Psych 1010 (3) OR Human Development – CHF 1500 (3)
6] Introduction to Writing – English 1010 (3)

Please note that all admitted students in a PN to RN program at Weber State University will have to have taken and passed the State of Utah PN-NCLEX by the end of the 1st semester in order to progress into the final semester of the program.

Please turn the sheet over for additional important information ----->

ADDITIONAL GRADUATION COURSES FOR THE AAS: These courses must be completed by graduation and are not considered prerequisites. Intermediate Writing – English 2010 (3), HU/CA – Humanities or Creative Arts elective course (3).

ASSOCIATE OF SCIENCE IN NURSING: All admitted students are encouraged to complete all the additional general education requirements for a full Associate of Science Degree. AS or AAS (RN) graduates are allowed to apply for RN to BSN progression now (where in the past only AS (RN) graduates were allowed to apply. By fulfilling all of the AS (RN) graduation requirements RN to BSN progression will be easier to complete (potentially within 2 semesters rather than 3 or more).

A list of university-level Core, Breadth, and Degree requirements can be viewed in the [Current Catalog website](http://catalog.weber.edu) (catalog.weber.edu)

SELECTION PROCESS: a competitive point application process takes place when we have more applicants than positions available. Criteria used in the point selection process include: degrees (AS, AA, BS, BA, MS, MA) completed and posted to transcripts; Interstate Passport posted to transcripts or documented proof of Letter of Completion; CUM GPA; science course GPA (4 courses); prerequisites completed (6 courses); all prerequisites and additional support courses completed (8 courses); Math QL 1030, 1030, 1050, Introductory Pathophysiology (HTHS 2230), Introductory Microbiology (MICR 1113), and Human Nutrition (NUTR[LS] 1020) courses done; Nursing GPA; LPN Work Experience; alternate; re-applicant; and veteran status. The application process is highly competitive! It may take more than one time applying before one gains admissions to this program.

Applicants are strongly encouraged to meet with an advisor before applying to verify that all prerequisites, etc., are completed. In order for the review to be completed, all transcripts must have been sent to WSU admissions for official review. Do not assume that all classes will transfer. Students must apply for and be accepted to Weber State University in order to register for classes.

NURSING COURSES: Nursing curriculum pattern if admitted. All nursing courses must be passed with a “B-” grade or better.

Third Semester (1)

Nursing 2500 – Patient Centered Nursing Care 2	(3)
Nursing 2551 – Patient Centered Nursing Care Experience 2	(4.5)
Nursing 3100 – Pharmacology Centered NRSNG Care Exp. 2	(3)
Total Hours	10.5

Fourth Semester (2)

Nursing 3200 – Complex Patient Centered Nursing Care 1	(3)
Nursing 3300 – Entry Into Nursing Professional Practice	(3.5)
Nursing 3350 – Entry Into Nursing Professional Practice Preceptorship (3)	
Total Hours	9.5

All admitted applicants will be required to complete a mandatory background check, drug screening, **physical exam, and have personal health insurance.** Admission to the program is contingent upon submission of a satisfactory background check, a negative drug screening, **a physical exam, and documentation of personal health insurance.** If a background check reveals a history of criminal actions or the drug screen reveals the presence of controlled substances (prescription or non-prescription) the applicant understands that they may not be allowed to begin or remain in the program and will not be entitled to any refunds of tuition dollars or other fees.

Physically challenged and learning disabled students must register with the disability office prior to starting the nursing program if special assistance is required. Please call 801-626-6413. Please visit [Nursing Essential Requirements](http://weber.edu/Nursing/EssentialRequirements.html) (weber.edu/Nursing/EssentialRequirements.html) for the essential requirements of nursing.
