***Please note:**

- If you are precepting in the fall semester, your tuition waiver must be used for the subsequent spring semester
- If you are precepting in the spring semester, your tuition waiver may be used for the subsequent summer or fall semester
- If you are precepting in the summer semester, your tuition waiver must be used for the subsequent fall semester

Clinical faculty may enroll for a maximum of 6 credit hours of graduate or undergraduate tuition per semester without payment of tuition or student fees. Credits cannot be divided among semesters or accumulated (use or lose). Credits must be between the first day and the last day of the semester (not the day before the semester starts, or the day after it ends). The clinical faculty needs to register for their classes before the tuition benefit will appear on their account. The tuition benefit cannot be applied to Concurrent Enrollment (CE) courses.
